ENGAGING WITH GOD

- 1. Write down a recent testimony of God's goodness in your life. This could be an encouragement, a healing, a provision, or a new revelation of him. What does this testimony show you about God?**

- 2. What is one promise God has made to you through his spoken word or through Scripture?**

- 3. What is one thing you know to be true about God? Find a Scripture that speaks to this aspect of his nature and write it down below.**
