18 "See what the land is like and whether the people who live there are strong or weak, few or many. 19 What kind of land do they live in? Is it good or bad? What kind of towns do they live in? Are they unwalled or fortified? 20 How is the soil? Is it fertile or poor? Are there trees in it or not? Do your best to bring back some of the fruit of the land." (It was the season for the first ripe grapes.)"

**NUMBERS 13:18-20**

“When they reached the Valley of Eshkol, they cut off a branch bearing a single cluster of grapes. Two of them carried it on a pole between them, along with some pomegranates and figs.”

## CALEB'S REPORT:

Then Caleb silenced the people before Moses and said, "We should go up and take possession of the land, for we can certainly do it."

**NUMBERS 13:30**

## THE 10 SPY'S REPORT:

31 But the men who had gone up with him said, "We can't attack those people; they are stronger than we are." 32 And they spread among the Israelites a bad report about the land they had explored. They said, "The land we explored devours those living in it. All the people we saw there are of great size. 33 We saw the Nephilim there (the descendants of Anak come from the Nephilim). We seemed like grasshoppers in our own eyes, and we looked the same to them."

**NUMBERS 13:31-33**

1 That night all the members of the community raised their voices and wept aloud. 2 All the Israelites grumbled against Moses and Aaron, and the whole assembly said to them, "If only we had died in Egypt! Or in this wilderness!

24 But because my servant Caleb has a different spirit and follows me wholeheartedly, I will bring him into the land he went to, and his descendants will inherit it.
